

Dear friends.

We greet you in the name of Jesus Christ our Lord. Peace be with you.

We apologize by the silence and not share the news from Hókwè in time. We promised to let you know what we have done after Easter.

We ensure you that we received money you sent to Saint Andre's Pre – school, on last February, was 2000, 00\$ US. And decided to create a Bank account and the process took long.

After that, we also decided to use the money as following:

1. Repair the windows of the vestry of the Church where runs the classes.
2. To buy the furniture; basically plastic chairs for children and kitchen accessories and the Stationary material bought to kids as well as to administrative use.
3. Also we applied some money to raise chickens, for raise money to subside those who are working directly with children as well as to guarantee the sustainability in future.
4. Allocated some money to provide meals.

The centre is attended by 50 children whose are assisted by two teachers and one helper who prepares meals for children.
