Love Languages of our children—
Hotspot Topic on March 21st

The 5 Love Languages

Quality Time

These kids feel loved through sharing time with people. Cook together, go on solo bike rides, let them sit up later for 1 on 1 time. structure your day with small timeslots to spend playing with/interacting with them

Giving Gifts

These children like you to give them things to treasure! Buy them something, pick them a flower, start a 'treasure box' for them, make sure you LISTEN when they say something they want.

Acts of Service

Love helping others and getting to 'do things' with parents, but especially independently. Helping wash the car, be given freedom to make their own sandwiches/lunch, surprise family member with something they've done for them, etc.

Words of Affirmation

These kids thrive on spoken or written encouragement. Write a note, tell them you're proud and why, make them a big deal with your words-but don't be patronising

Physical Touch

These kids love you being close! Spend an intentional 5 minutes a day at least being physically present with them- wrestle, hug, sit next to them, etc.

Spring 2022

Who? Daniel's Den is a parent and toddler group, which caters for families in the local area

What? We create an opportunity for parents/ carers and children to socialise together. Craft activities are arranged for the children, as well as a number of play activities. Singing sessions are a must!

Where? At various venues across Brent, Ladbroke Grove and online

When? See times on back of this brochure. We meet every week except in school holidays

Why? We believe our children are special and so are you!

Purpose: To encourage and enrich family life in order to build stronger communities

Vision: We have a vision to see:

- ~ Parents and children having the opportunity to 'know and be known' in their local community.
- ~ People building 'relationships that matter' within and beyond their cultural/ethnic group.

Objective: To have family life valued in all levels of society, both locally and nationally
